

Dear Hollybrook Residents,

To help keep your neighborhood beautiful, please utilize the doggie stations to dispose of dog waste. Left out, It is very unsightly and smelly. If you see anyone not disposing of it properly, please kindly remind them that is what the doggie stations are for. If your four-legged family member happens to go in someone else's yard, please be respectful and clean up after them.

Keep it clean and keep it green.

Thank you,
